**Capacity Building Programme for Social Science Faculty Members**  
**Sponsored by Indian Council of Social Science Research (ICSSR), New Delhi**

**Duration: March 19-28, 2018**

The programme aims to enhance the capacities of young social science faculty members. Issues related to current macroeconomic performance, employment, population, urbanization, poverty and inequality, and other related issues in development such as agriculture and rural development, linkages to environment, entrepreneurship will be discussed. The programme will provide a platform to the researchers to discuss their research problems.

Faculty members from colleges, universities and research institutes interested in pursuing research related to socio-economic issues may participate in the programme. A maximum of thirty participants will be selected at all-India level, based on their eligibility for the programme. Participants will be provided to and fro 3-tier AC train fare by the shortest route along with food and accommodation at the campus.
