

10-Day Research Methodology Course (RMC) for Research Scholars in Social Sciences

Sponsored by
Indian Council of Social Science Research (ICSSR), New Delhi.

15-24 April, 2025

Sardar Patel Institute of Economic and Social Research,
Ahmedabad - 380 054.

About the Institute:

Sardar Patel Institute of Economic and Social Research (SPIESR) is a leading Social Science Research Institute in India funded by ICSSR, New Delhi and Government of Gujarat.

Since its establishment, the SPIESR has been recognized as an advance centre of research, conducting extensive academic inquiries into a wide array of socioeconomic policies and theoretical issues. The research at SPIESR has spanned numerous themes, addressing theoretical and methodology aspects in the areas of Microeconomics, Macroeconomics, Monetary Economics, Trade, Agriculture, Industry, Poverty, Employment, Social Infrastructure (Education and Health), Human Development and Environment.

About the Programme:

Social Science Research always has been considered an important instrument for policy formulation that aimed to enhance the welfare of the masses. It provides important inputs for the policy formulation to solve the problem of economic backwardness, social conflict, discrimination, internal and external security, environment, social justice, etc. Enhancing the research capability of young researchers by making them aware about the modern tools & techniques, data sources, theoretical and empirical understanding of the social issues/problems is the way to promote the social science research in the country. It is expected that researchers trained with modern tools and techniques will provide scientific, logical and relevant inputs for the policy formulation.

The proposed training program intends to improve research skills and competence of young social scientists to undertake research studies (both qualitative and quantitative) in social sciences. The participants will be exposed to theories and practical applicability of the research methods and research tools used in social science research. The programme will consist of lectures, field training, practical exercises (in SPSS), report writing and presentations. The training program predominantly follows the research methodology course guidelines of ICSSR, New Delhi.

Eligibility Criteria:

The MPhil/PhD/Post-Doctoral Fellows (PDF) scholars in Social Sciences registered in any Indian University/Institute/Colleges are eligible to apply for the workshop.

How to apply:

Interested candidates can apply by visiting the SPIESR website (www.spiesr.ac.in) on or before 28/03/2025 or directly [clicking below link](#).
